The B-LFP48-200PW is a 51.2V 200Ah 10kWh wall-mounted LiFePO4 battery engineered for residential energy storage. It delivers over 6000 cycles at 90 percent DOD with a 10-year ...

The EG Solar powerwall 10kwh wall-mounted Home battery is an intelligent (10 kWh usable) residential energy storage appliance that offers homeowners the ability to store power ...

Longer Cycle Life: Offers up to 20 times longer cycle life and five times longer float/calendar life than lead acid battery, helping to minimize replacement cost and reduce total cost of ownership.

The design of battery management system provides the highest reliability. Using Lithium iron phosphate battery, which has high safety performance, long cycle life, with service life of more ...
