As the aforementioned RFC does not include any reference of encoding spaces as +, I guess using %20 is the way to go today. For example, "%20" is the percent-encoding for ...

The 20ft High Cube Solar Container is a smart and sustainable solution designed for off-grid operations, mobile power supply, and energy-independent work sites.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Powered by premium 610W panels, the 100KW Mobile Solar Container from HighJoule delivers maximum energy density in a compact 20ft format. It's optimized for grid-tied setups requiring ...
