Why is dubatt launching a battery recycling plant in Dubai?

The launch of Dubatt's battery recycling plant at Dubai Industrial City is a testament to investor confidence in the UAE's and Dubai's future-proof and holistic roadmaps, such as Operation 300bn and Dubai Economic Agenda 'D33', which promote the manufacturing sector's sustainable expansion in the UAE."

How will dubatt energise Dubai integrated waste management strategy 2041?

Dubatt's project aims to energise the Dubai Integrated Waste Management Strategy 2041 by leveraging Dubai Industrial City's supportive ecosystem, including its proximity to Jebel Ali Port, Al Maktoum International Airport, and an Etihad Rail freight terminal.

Why is dubatt opening a battery factory?

Abdulla bin Touq Al Marri, Minister of Economy, said: "Dubatt's opening emphasises the manufacturing sector's pivotal role in achieving circular economy goals." Battery products manufactured at the end of the production cycle will be sold domestically and exported, aligning with the 'Make it in the Emirates' initiative.

What is Dubai integrated waste management strategy 2041?

"Dubatt's project aims to energise the Dubai Integrated Waste Management Strategy 2041 by leveraging Dubai Industrial City's supportive ecosystem, including its proximity to Jebel Ali Port, Al Maktoum International Airport, and an Etihad Rail freight terminal.
