What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.

1 " Free " absolutely means "free from any sorts constraints or controls. The context determines its different denotations, if any, as in "free press", "free speech", "free stuff" etc.

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

I want to make a official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" does't sound formal. So, are there any ...

We work with our customers to create your temperature resistant photovoltaic PV distribution boxes with easy access and egress of lines and cables without bends and tension.

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that ...
