Does a 30 amp dryer outlet require AFCI / GFCI protection? I cannot find a dual function breaker for a double pole square d homeline 30 amp breaker only finding GFCI ones. ...

The 5mA sensitivity GFCI (which is good for personnel protection) was still causing nuisance tripping. Would it be acceptable by NEC to use a 30mA sensitivity (equipment ...

The NEC expanded GFCI protection for dwelling units with basements both finished and unfinished. With considerable urging by manufacturers. -Hal

I assume this has been discussed already in this forum but I wasn't able to find a recent thread. NEC 2023 210.8(A)(6) requires all 125-250V single phase receptacles in a ...

Do Commercial washer machine in a commercial laundromat require GFCI protection per NEC 2023? NEC 2023 Article 210.8 list dryer but not washer. Does any one ...

The GFCI false trips are vehicle dependent and condition dependent). The protections from an EVSE have the same goal as a NEC GFCI. Anyone wanting a deep dive ...

But since its on a GFCI, if the frame provides a decent path back to the panel, that's a separate neutral path and will cause the GFCI to trip. Removing the jumper removes the ...

I'm installing a EV charger that requires a NEMA 6-50 receptacle. The system is a 120/208 3 Phase 4 -wire system. It's a cutler hammer panelboard that utilizes bolt on circuit ...
