Where does the city of Helsinki publish contract notices?

The City of Helsinki publishes its contract notices in the national public procurement service Hilma. Hilma allows public sector buyers to put their procurements out to tender and advertise their future procurements, ongoing tender processes and the results of completed tender processes. To use this feature, you must accept cookies from the site.

What is Finland tenders?

FinlandTenders is the most authentic and comprehensive database of Finland Tenders, RFPs, Bids and eProcurement Notices. The information on eTenders, EOI, GPN and other public and private tenders from various industry sectors in Finland is sourced from newspapers, government public procurement portals and individual purchasers websites.

Is public procurement regulated in Finland?

The procurement of goods, services and public works in general is subject to procurement regulation, with specific exceptions. Even though the Finnish Public Procurement Acts do not in general distinguish between bidders within and outside the EU, there are a few exceptions.

Where can I find information on etenders in Finland?

The information on eTenders, EOI, GPN and other public and private tenders from various industry sectors in Finland is sourced from newspapers, government public procurement portals and individual purchasers websites. Fresh and verified Tenders from Finland.
