How much does it cost to replace a central air unit?

These costs will vary depending on the size of your home and local labor rates in your town. However, service fees for this type of evaluation typically surpass \$200. The average cost to replace a central AC unit is less than the cost to install central air in a home that did not have it previously.

How do I find a replacement alarm battery?

Locate your alarm panel or alarm battery bank. Write the part #, brand, voltage (V) and amperage (Ah) down for each alarm battery and do a final tally of each alarm battery type. You can use our extensive cross reference search engine at BatteryGuy.com or call us at 1-800-572-1975 to insure you get the correct alarm replacement battery.

How much does it cost to remove an AC unit?

Junk removal costs for an AC unit should average around \$225. Depending on where you live and whether your home will need new ductwork installed, you may also need to get a building permit. Ask your HVAC contractor about this; they'll know your city's codes and can advise on what steps to take.
