Where can I find the perfect aluminum box & enclosure?

With a large selection of sizes and styles for indoor and outdoor use, it's easy to find the perfect aluminum box, enclosure, or case from Polycase. Prioritize your supply chain with USA made enclosures.

What protections does a box come with?

Our boxes all come standard with the following protections: Marine-grade 5052 aluminum construction for protection against the elements and resistance to rust and corrosion. Universal wall and tower mounting brackets for 360-degree air circulation and cooling. Sunshade for protection against UV rays and excess heat.

Which NEMA rated boxes are best for inclement outdoor conditions?

NEMA 3 or NEMA 4 rated boxes are best for inclement outdoor conditions. NEMA developed scrupulous testing procedures to ensure these telecom enclosures offer enhanced protection from criminal elements and extreme weather conditions such as snow and ice, driving rain, wind-blown debris, and heat.

With such sensitive equipment used for telecommunications, ArmorLogix aluminum enclosures come in standard and customer sizes rated for either NEMA 3 or NEMA 4, safeguarding your ...
