Yeah. It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...

What is the off-grid solar suite? When many people hear "off grid solar kit" for the first time, they will think it is a "directly usable" portable device, but in fact it is an "independent ...

Hey there, first off means "first of all" right? For example, "first off, my name"s James not Jack..." but my question starts here, what would be the continuation for multiple ...

Ditto, and to (2) you could add "I won"t be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal ...

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague ...

MEOX hybrid Off Grid Container Power Systems, built on the core framework of hybrid solar container systems for remote areas, combine DC coupling, VSG grid-forming, and intelligent ...

Hello everyone! In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is ...

Our containerized off-grid solar solutions provide customers with a flexible and reliable way to access clean and renewable energy in remote locations or areas without reliable access to the ...
