How many cubic feet can a 40ft container hold?

For maximum capacity, 40ft containers deliver 2,720 cubic feet of storage. Built from heavy-duty steel with weatherproof design, they're perfect for bulk inventory, equipment, farm storage, and long-term projects across the North Country, Western NY, and Central NY. These large containers are a smart, flexible storage solution.

Are A-Verdi storage containers a good choice?

A-Verdi has you covered with high-quality storage containers for sale that are clean, secure, weather-resistant, and ready for any jobsite. Whether you need durable outdoor storage, a mobile office solution, or a construction site container, we make it easy to find the right fit--backed by local service you can trust.

Are Conex storage containers a good choice?

Budget-friendly Conex units ideal for non-critical storage needs. These containers are sold in their current condition and may show signs of wear, but still offer solid performance. Functional and affordable, these units are inspected for key structural integrity. These on-site self storage containers are great for general outdoor storage needs.

What is a modified shipping container?

High-quality modified shipping containers designed to provide durable storage solutions, workshops, DIY projects, construction storage or office space, and much more. Reliable and ready to roll wherever you need them. Create a unique living space with custom shipping container homes tailored to your lifestyle.
